Well, I'm chasing the blues right out of my mind, I'm
leavin' my cares and my worries behind
'Cause I'm on my way, I'm leaving town today
My lonesome old heart is broken in two, I've been
walkin' the floor every night over you
But our love is all gone, I'm moving on, I'm-a leaving
town today
I got no love, no cares, just heartaches, I'm leaving
them all behind
Like the sun and the moon and the stars above, we're
gonna be one of a kind
Well, I'm moving along, I gotta be free, I'll find a new
love wherever I'll be
But my whole life is gone, I'm moving on, I'm-a leaving
town today
Chorus: I got no love, no cares, no heartaches, I'm
leaving them all behind
Like the sun and the moon and the stars above, we're
gonna be one of a kind
Well, I'm moving along, I gotta be free, I'll find a new
love wherever I'll be
But my whole life is gone, I'm moving on, I'm-a leaving
town today
I'm-a leaving this town today
