I'm-a walking the dog, and I'm never blue, I'm-a
walking that dog, I'm not thinking 'bout you
I don't need no one to tie me down, 'cause I'm walking
that dog, and I'm painting the town
Such an easy life I never knew, well, I can't believe that
it's really true
Well, I'm a carefree gal who's seen the light, and I'm
walking that dog all the day and all night
Well, I'm full of pep, I just can't grow old, I got a one-
track mind, so I've been told
But I'm fancy-free, I don't worry no how, 'cause I'm
walking that dog, all the law will allow
Such an easy life I never knew, until the day that I loved
you
I'm a carefree gal that's seen the light, and I'm walking
that dog all the day and all night
