"Lonely Street"

I'm looking for that lonely street, I've got a sad, sad
tale to tell

I need a place to go and weep, where's this place
called lonely street?

A place where there's just loneliness, where dim lights
bring forgetfulness

Where broken dreams and mem'ries meet, where'd
this place called lonely street?

Perhaps upon that lonely street, there's someone such
as I

Who came to bury broken dreams and watch an old
love die

If I could find that lonely street where dim lights bring
forgetfulness

Where broken dreams and mem'ries meet, where's
this place called lonely street?

Where's this place called lonely street?
