Right or wrong I'll be with you
I'll do what you ask me to
For I believe that I belong
By your side for right or wrong.
Right or wrong it's got to be
Always you and always me
Won't you take me along,
To be with you right or wrong.
If it's wrong for me to love you
It can't be wrong for me to care
If you should say you love me
My life with you I'll share.
Right or wrong day by day
All my love, all the way
I believe that I belong
By your side for right or wrong.
