Seven lonely days make one lonely week, seven lonely  
nights make one lonely me

Ever since the time you told me we were through,  
seven lonely days I cried and I cried for you

Oh, my darlin', you're crying, boo hoo hoo hoo, well,  
there's no use in denying I cried for you

It was your favorite pastime, making me blue, last week  
was the last time I cried for you

Seven hankies blue, I filled with my tears, seven letters,  
too, I filled with my fears

Guess it never pays to make your lover blue, seven  
lonely days I cried and I cried for you

Oh, my darlin', you're crying, boo hoo hoo hoo, well,  
there's no use in denying I cried for you

It was your favorite pastime, making me blue, last week  
was the last time I cried for you
