Oh, we ain't got a barrel of money, maybe we're  
ragged and funny

But we'll travel along, singing a song, side by side

I don't know what's a-coming tomorrow, maybe it's  
trouble and sorrow

But we'll travel the road, sharing our load, side by side

Through all kinds of weather, what if the sky should  
fall?

Just as long as we're together, it really doesn't matter  
at all

When they've all had their quarrels and parted, we'll be  
the same as we started

Just traveling along, singing our song, side by side

Yeah, now, through all kinds of weather, what if the sky  
should fall?

Just as long as we're together, it really doesn't matter  
at all

Now, when they've all had their quarrels and parted,  
we'll be the same as we started

Just a-traveling along, singing a song, side by side
