Oh, stop the world and let me off, I'm tired of going  
round and round

I've played the game of love and loss, so stop the  
world and let me off

My heart is shattered, can't you see? 'Cause you no  
longer care for me

But someday I'm sure you'll see loving you did this to  
me

My dream will tumble to the ground, the one I love has  
let me down

I lost the wonder of his kiss, how could he leave me  
here like this?

Oh, stop the world and let me off, I'm tired of going  
round and round

I've played the game of love and loss, so stop the  
world and let me off

Stop all this burning up inside, I know his love for me  
has died

I lost the wonder of his kiss, how could he leave me  
here like this?

Oh stop the world and let me off, I'm tired of going  
round and round

I've played the game of love and loss, so stop the  
world and let me off
