You don't know the meaning of the words "I love you  
so", but when you've found your one love,  
Then you'll know  
You don't know the heartache or the laughter you'll  
forgo, until you've lost that one love,  
Then you'll know  
Now, you pretend to care for me, but, honey, if you do,  
Why don't you give the kind of kiss I always give to  
you?  
So, I've just made my mind up, even though my tears  
will flow  
Go on and find a new love, then you'll know  
Now, you pretend to care for me, but, honey, if you do,  
Why don't you give the kind of kiss I always give to  
you?  
So, I've just made my mind up, even though my tears  
will flow  
Go on and find a new love, then you'll know, then you'll  
know
