There he goes, he's walking away.
Each step he takes brings heartaches my way.
She won his heart, I lost him some way.
There he goes, he's walking away

If I hadn't cheated, and I hadn't lied,
I'd be the one walking by his side.
I love him still and I guess that it shows:
He's walking away, there he goes
Oh, if I hadn't cheated, and I hadn't lied,
I'd be the one walking by his side.
I love him still and I guess that it shows:
He's walking away, there he goes
