"Try Again"

Try again, don't feel blue, try again, I've been through
feeling blue, same as you

I've been broken-hearted and cried the whole night
through,

Sorry now we've parted, 'cause no one else will do

Try again, so they say, try again, say goodbye to the
tear in your eye

Something seems to tell me that we could love again,
try again, says my heart, try again

Try again, so they say, try again, say goodbye to the
tear in your eye

Something seems to tell me that we could love again,
try again, says my heart, try again

Try again, so they say, try again, say goodbye to the
tear in your eye,

Something seems to tell me that we could love again,
try again, says my heart, try again
