Yes, I understand that I'm to set you free, yes, I  
understand you love her more than me  
I understand she won your heart and stole your love,  
drew us apart, I understand  
And so I'll let you go  
I tried my best to do the things I thought would please  
you, dear  
I never dreamed the time would come when you would  
not be here  
Yes, I understand what I'm supposed to do, find me  
someone else to take the place of you  
And if I live a hundred years, I'll find some way to hide  
these tears, I understand  
And so I'll let you go  
Chorus: I tried my best to do the things I thought would  
please you, dear  
I never dreamed the time would come when you would  
not be here  
Yes, I understand what I'm supposed to do, find me  
someone else to take the place of you  
And if I live a hundred years, I'll find some way to hide  
these tears, I understand  
And so I'll let you go
