You made me love you, I didn't want to do it, I didn't  
want to do it  
You made me want you, and all the time you knew it, I  
guess you always knew it  
You made me happy sometimes, sometimes you made  
me glad  
But there were times, dear, you made me feel so bad  
You made me sigh for, I didn't wanna tell you, I didn't  
want to tell you  
I want some lovin' that's true, yes I do, indeed I do, you  
know I do  
Give me, give me, give me what I cry for, you know you  
got the brand of kisses that I'd die for  
You know you made me love you  
You made me sigh for, I didn't want to tell you, I didn't  
wanna tell you  
I want some lovin' that's true, yes I do, indeed I do, you  
know I do  
Give me, give me, give me what I cry for, you know you  
got the brand of kisses that I'd die for  
You know you made me love you
