Chorus:

I'm a supa dupa star, supa dupa star
I'm a supa dupa star, supa dupa star
I'm a supa dupa star, supa dupa star
I'm a supa dupa star, supa dupa star

Who's the coolest mother fucker you ever seen?
You can say me, but you ain't never be!
When they see you, they say, fuck that bitch!
When they see me, everybody love my shit!
When I come two, three guys know my name
Yeah I fuck, a lot of whores give me that thing!
Murder at the club, now I'm driving wild
Stop at the light, put it right in her mouth
And it don't take master here,
Let her see the car, the house and then the dick!
Nigger, I'm so famous, I got sperm in her hair,
And don't know what her name is!
But I'm still gonna see what to do,
When I boo, I'mma give it to you!
But these girls know who we are

Chorus:

I'm a supa dupa star, supa dupa star, beeoatch!
I'm a supa dupa star, supa dupa star, bitch!

Connected with everybody and somebody,

This bitch you're doing now
Some of you are really need to consider throwing in the
towel!
Me? I don't show no signs of slowing down,
The oldest... around!
I had to clad my own identity

I was way ahead of my time
You can say what you want about me before me, but
you can't say...
... tell her when I'm gonna resign cause I spit this herbal
vomit...
I went form... five rap superstar.

They say we're so... I say it's super nova,
And I wish that all the critics would just let me grow up!
Cause when I show up the cameras flicker and
flashing,
I'm kinda different in passion, I'm tripping...
And when you get... I say get familiar,

These stupid dooper bars that is super dooper hard.
