for the drill and the pain - and the rain - and the  
bitches - comes shit out of luck - passing in to the  
muthafucking base - so banging - nuts hanging -  
creativity  
higher than a muthufucka this year - which 1996 - throw  
your fits - you none musical making bastards at 13 - I'll  
blast on you muthafuckas - I'm holy - step up wrong  
and  
you don't know me - trying a positive connection - could  
get you expectorant- - and that could be the reason  
why  
HDJ only wants to fall off - but never fall on - and  
that's for your lord - I can imagine me killing you boy.
