(words & music by John Davenport - Eddie Coole)

Never know how much I love you  
Never know how much I care  
When you put your arms around me  
I get a fever that's so hard to bear  
You give me fever when you kiss me  
Fever when you hold me tight  
Fever in the morning  
Fever all through the night.  
Sun lights up the daytime  
Moon lights up the night  
I light up when you call my name  
And you know I'm gonna treat you right  
You give me fever when you kiss me  
Fever when you hold me tight  
Fever in the morning  
Fever all through the night  
Everybody's got the fever  
And that is something that you sould know  
Fever isn't such a new thing  
Fever started long ago  
Romeo loved Juliet  
Juliet she felt the same  
When he put his arms around her  
He said 'Julie, baby, you're my flame  
Thou giv-est fever when we kisseth  
Fever with the flaming youth  
Fever I'm afire  
Fever yea I burn for sooth'  
Captain Smith and Pocahantas  
Had a very mad affair  
But when her daddy tried to kill him  
She said 'Daddy, daddy, don't you dare  
He gives me fever with his kisses  
Fever when he holds me tight  
Fever, I'm his misses,  
Oh daddy, won't you treat him right'  
Now you've heard my story  
Here's the point that I have made  
chicks were born to give you fever  
Be it Fahrenheit or centigrade  
They give you fever when you kiss them

Fever if you live and learn  
Fever till you sizzle  
What a lovely way to burn  
What a lovely way to burn  
What a lovely way to burn
