LOVE IS ALIVE

Well, I think it's time to get ready

To realize just what I have found

I've been only half of what I am

It's all clear to me now

My heart is on fire, my soul's like a wheel that's turnin'

My love is alive, My love is alive

There's somethin' inside that's makin' me crazy

I'll try to keep it together

'Cause what I say may not happen the same way

Not to be for ever and ever

My heart is on fire, my soul's like a wheel that's turnin'

My love is alive, My love is alive

My love is alive

My love is alive

Is there a movie inside my mind

Reflectin' the love that you shine on me

Hold on now, to that feelin'

Let it flow, let it run, yeah

My heart is on fire, my soul's like a wheel that's turnin'

My love is alive, My love is alive

My love is alive

My love is alive
