(Words & music by Bartholomew - King)

One night of sin, yeah
Is what I'm now paying for
The things I did and I saw
Would make the earth stand still
Don't call my name
It makes me feel so ashamed
I lost my sweet helping hand
I got myself to blame
Always lived, very quiet life
Ain't never did no wrong
But now I know that very quiet life
Has cost me nothing but harm
One night of sin, yeah
Is what I'm now paying for
The things I did and I saw
Would make the earth stand still
Always lived, very quiet life
Ain't never did no wrong
But now I know that very quiet life
Has cost me nothing but harm
One night of sin, yeah
Is what I'm now paying for
The things I did and I saw
Would make the earth stand still
