Hot town summer in the city  
Back of my neck getting dirt and gritty  
Been down, isn't it a pity  
Doesn't seem to be a shadow in the city  
All around people looking half dead  
Walking on the sidewalk hotter than a match head

But at night it's a different world  
Go out and find a girl  
Come on, come on and dance all night  
Despite the heat it will be alright  
And babe, don't you know it's a pity  
The days can't be like the night  
In the summer in the city  
In the summer in the city

Cool town, evening in the city  
Dressed so fine and looking so pretty  
Cool cat looking for a kitty  
Gonna look in every corner of the city  
Till I'm weezing like a bus stop  
Running up the stairs gonna meet ya on the roof top

But the night it's a differnt world  
Go out and find a girl  
Come on, come on lets dance all night  
Despite the heat it will be alright  
And babe, don't you know it's a pity  
The days can't be like the night  
In the summer in the city  
In the summer in the city

But at night it's a different world  
Go out and find a girl  
Come on, come on lets dance all night  
Despite the heat it will be alright  
And babe don't you know it's a pity  
The days can't be like the night  
In the summer in the city  
In the summer in the city

Hot town summer in the city
