What would you think if I sang out of tune
Would you stand up and walk out on me
Lend me your ears and I'll sing you a song
And I'll try not to sing out of key

Oooh I'll get by with a little help from my friends
Oooh I'll get high with a little help from my friends
Oooh I'll get by with a little help from my friends

My friends

What do you do when our love is away
Does it worry you to be alone
How does it feel by the end of the day
Are you sad because you're on your own

Oooh I'll get by with a little help from my friends
Oooh I'll get high with a little help from my friends
Oooh I'll get by with a little help from my friends

Do you need anybody? I need somebody to love
Could it be anybody? I need somebody to love (to love
to love)

Would you believe in it's love at first sight
Yes I'm certain that it happens all the time
What do you see when you turn out the lights
I can't tell you but I know that it's mine

Oooh I'll get by with a little help from my friends
Oooh I'll get high with a little help from my friends
Oooh I'll get by with a little help from my friends

Do you need anybody? I need somebody to love
Could it be anybody? I need somebody to love

Oooh I'll get by with a little help from my friends
Oooh I'll get by with a little help from my friends
Oooh I'll get high with a little help from my friends
Oooh I'll get by with a little help from my friends
With a little help from my friends

My friends, my friends, my friends, my friends, my
friends
My friends, my friends, my friends, my friends, my
friends
My friends, my friends
