The birds they sang
At the break of day
Start again
I heard them say
Don't dwell on what
Has passed away
Or what is yet to be

The wars they will
Be fought again
The holy dove
Be caught again
Bought and sold
And bought again
The dove is never free

CHORUS

Ring the bells that still can ring
Forget your perfect offering
There is a crack in everything
That's how the light gets in

We asked for signs
The signs were sent
The birth betrayed
The marriage spent
The widowhood
Of every government
Signs for all to see

Can't run no more
With the lawless crowd
While the killers in high places
Say their prayers out loud
But they've summoned up
A thundercloud
And they're going to hear from me

CHORUS

You can add up the parts
But you won't have the sum

You can strike up the march
There is no drum
Every heart
To love will come
But like a refugee

CHORUS
