I loved you in the morning
Our kisses deep and warm,
Your head upon the pillow
Like a sleepy golden Strom.
Yes, many loved before us
I know that we are not new,
In city and in forest
They smiled like me and you,
But now it's come to distances
And both of us must try,
Your eyes are soft with sorrow,
Hey, that's no way to say goodbye.

I'm not looking for another
As I wander in my time,
Walk me to the corner
Our steps will always rhyme,
You know my love goes with you
As your love stays with me,
It's just the way it changes
Like the shoreline and the sea,
But let's not talk of love or chains
And things we can't untie,
Your eyes are soft with sorrow,
Hey, that's no way to say goodbye.

I loved you in the morning
Our kisses deep and warm,
Your head upon the pillow
Like a sleepy golden Strom.
Yes, many loved before us
I know that we are not new,
In city and in forest
They smiled like me and you,
But let's not talk of love or chains
And things we can't untie,
Your eyes are soft with sorrow,
Hey, that's no way to say goodbye.
