Oh the sisters of mercy, they are not departed or gone.  
They were waiting for me when I thought that I just  
can't go on.  
And they brought me their comfort and later they  
brought me this song.  
Oh I hope you run into them, you who've been travelling  
so long.

Yes you who must leave everything that you cannot  
control.  
It begins with your family, but soon it comes around to  
your soul.  
Well I've been where you're hanging, I think I can see  
how you're pinned:  
When you're not feeling holy, your loneliness says that  
you've sinned.

Well they lay down beside me, I made my confession to  
them.  
They touched both my eyes and I touched the dew on  
their hem.  
If your life is a leaf that the seasons tear off and  
condemn  
they will bind you with love that is graceful and green  
as a stem.

When I left they were sleeping, I hope you run into them  
soon.  
Don't turn on the lights, you can read their address by  
the moon.  
And you won't make me jealous if I hear that they  
sweetened your night:  
We weren't lovers like that and besides it would still be  
all right,  
We weren't lovers like that and besides it would still be  
all right.
