Yeah, my grades don't really matter for what I wanna do, I wanna be a rockstar, so I'm dropping out for you. And we'll make history.

We're like peanut butter jelly, so different apart.
Who put 'em both together?
Damn, that guy was smart.
And he made history.

Don't go, I'm on to you.
And I know that we'll make it through as long as we're together.
Baby, I'm amazed by the way I feel when you talk to me.
Baby, I'm amazed by the way I feel when you comfort me.

I wish I could change the alphabet so I'd be next to you.
My fortune cookie told me that our wishes would come true.
How?
It knows our history.

It knows we're 21, our lives are very far from done and now it's finally occurred to me the battle's never won.
But this time, it's gonna make history!

Don't go, I'm on to you.
And I know that we'll make it through as long as we're together.
Baby, I'm amazed by the way I feel when you talk to me.
Baby, I'm amazed by the way I feel when you comfort me.

Woahhhhh (3x)

I'm on to you.
I'm so on to you.

Baby, I'm amazed by the way I feel when you talk to

me.

Baby, I'm amazed in more than other ways when you
comfort me.

Baby, I'm amazed by the way I feel when you talk to
me.

Baby, I'm amazed in more than other ways.
