It's not easy  
When you say that you're sorry  
It's not easy  
When you say you don't love me, at all

Let's be honest  
You don't care that you hurt me  
Let's be honest  
I don't care that you're lonely

You don't love me anymore  
You keep coming back for more  
If you don't love me anymore...  
Leave me alone

We're not dating  
Who cares what your mom says  
We're not dating  
You can sleep in your own bed

You don't love me anymore

You keep coming back for more  
If you don't love me anymore...  
Leave me alone x2

Whatever I do  
Whatever I say  
It doesn't matter anyway

You want me to go  
You want me stay  
You won't be happy either way

Take all your shit  
I'm all over it

It's not easy x9

You don't love me anymore  
You keep coming back for more  
If you don't love me anymore...

Leave me alone x4
