There are times when i look in your eyes  
i see the love that we shared  
i see the joy inside  
but i didn't see the feelings you hide  
and now your saying good bye cuz your love has died  
and all i can think about is you  
the way you say you love me too  
and every time i close my eyes i see your face  
my love can never be erased  
and you can never be replaced , baby

Chours:

baby gurl  
why don't you come back to me?  
why don't you love me any more?  
baby gurl,  
you know i still care for you  
you know i will love you forever more

there are times when i kiss you good night  
i feel the love that we shared  
i feel the joy inside  
but i didn't feel what you tried to hide  
and now your saying good bye  
cuz your feeling has died  
and all i can think about is you  
the way you say you love me too  
and every time i close my eyes i see your face  
my love can never be erased  
and you can never be replaced, baby

Chours: X2

Baby gurl,  
why don't you come back to me?  
why don't you love me any more?  
baby gurl,  
you know i still care for you  
you know i will love you forever more

all i can think about is you, all i can think about is you  
the way you say you love me too  
and every time i close my eyes i see your face, every

time i close my eyes  
my love can never be erased  
and you can never be replaced, baby

Chorus: X2  
baby gurl,  
why don't you come back to me?  
why don't you love me any more?  
baby gurl,  
you know i still care for you,  
you know i will love you any more...
