I: My beautiful angel
floating on the wings of truth
you'Â're my destiny
Like a dream become reality
written in the stars above
shining on our lives

Chorus: Gentle winds from your heart
guiding me to heaven
like a perfect sunset melting in the sea
your sweet, cool spirit
carressing me
I thank GOD Almighty....

II: you are my destiny
you are the love of my life
you are the air i breath
you are the joy that makes me smile
Like a dream become reality
written in the stars above
shining on our lives

(REPEAT CHORUS)FADING....
