La, la la la la

La, la la la la

She looks out of her window at the people going by

They look so happy, makes her cry

She watches them laughing

Sees the lovers holding hands and everyone, each
other's friends

CHORUS:

Beautiful and blue, they're not as good as you

Beautiful and blue, they're all lonely, too

She feels so unhappy, she no longer cares for life

Has these thoughts of ending all her strife

The world doesn't know her

It's so hard and cold and cruel, she wonders why she's
such a fool

CHORUS

La, la la la la

La, la la la la

[wah-wah guitar solo]

Beautiful and blue, they're not as good as you (they're
not as good as you!)

Beautiful and blue, they're all lonely, too

They're all lonely, too

La, la la la la

La, la la la la.
