Everybody seems to like him, so they say

Like the way he makes them laugh

Always smiling and his shoes are oh so gay

Size eleven and a half

But beneath that smiling mask he wears a frown

Knows he really doesn't want to be a clown

He's so sad at being treated as a joke

In his heart, he wants to cry

He is the clown of the party

He makes everyone laugh

He is the clown of the party

Ah ah ah ah, ah ah ah ah

Saw a girl he thought he'd love the other day

Started feeling very shy

By the time he'd made a move, she'd gone away

So, he hid away to cry

What's the use of loving anyone, he thought

Love is only for a very special sort

They can't love me, they just laugh at me all day

Makes me feel I wanna die

He is the clown of the party

He makes everyone laugh

He is the clown of the party

Ah ah ah ah

Ah ah ah ah, ah ah ah ah

He is the clown of the party

He makes everyone laugh

He is the clown of the party

He makes everyone laugh

He is the clown of the party

He makes everyone laugh

He is the clown of the party...
