Dear Angie, just these lines to confirm something you
may know

Dear Angie, please excuse the writing, it's my nerves,
you know

When you caught your train today

You took my heart and soul away

I can't wait 'til Friday night

To see you, touch you, hold you tight

Dear Angie, how's your folks and relatives?

I hope they're well

Dear Angie, I'm spending my vacation at that same
hotel

I've known you now for one whole year

There's something I've not told you, dear

Turned a blind eye for too long

This letter proves that I've been wrong

Ba ba da, oooooooh

Ba ba da, oooooooh

I've known you now for one whole year

There's something I've not told you, dear

Turned a blind eye for too long

This letter proves that I've been wrong

Dear Angie, I've beat about the bush, it's time I spoke
my mind

Dear Angie, It's been a long time coming, guess I've
been unkind

Dear Angie, the writing's on the wall

Dear Angie, I love you, you're my all

Guess that's all.
