I'm not well, can't you tell?

I've never felt like this before

Very strange, got no pain

But I can't wait to get some more

CHORUS:

I'm in love, and you taught me

What this thing is all about

I'm in love, yeah, you've caught me

Now, you're all I'm thinking of

Hold me tight, every night

And never go away from me

Say you will love me still

When I'm grey and ninety-three

CHORUS

Where've you been (where've you been)

All my life? (all my life?)

I'd like to make us man and wife

With a house (with a house)

Just for us (just for us)

See the children on the bus

CHORUS

I'm in love, and you taught me

What this thing is all about

I'm in love, and you've caught me

And now, you're all I'm thinking of.
