I've traveled over land, I've traveled over sea

Trying to find my baby, my baby, just for me

Haven't found one yet, but this, I don't regret

'Cause looking for my baby's much more fun

CHORUS:

Hi fli piddley po

Looking for my baby in every town

Hi fli piddley po

Baby, I'm too young to settle down

First, I think I will, then I think I won't

"Marry one, I mean", but something tells me, "don't"

Then I carry on and I know it won't be long

And while I wait, I'm having me some fun

CHORUS

I think that I'm in love as many times I've been

Until they start to plan a trip to Gretna Green

Then I'll lose my mind, and a new babe, I must find

'Cause looking for my baby's much more fun

CHORUS
