"Maybe Tomorrow"

Listen to a lonely sound

See the grey and sadness all around

See the people go their way

Care not of me and love I've lost today

CHORUS:

Maybe tomorrow, I will love again

I'll never know until I've looked into her eyes

Maybe tomorrow, I will love again

I'll never know until I've seen her once or twice

And so I'm living for a dream

Each lonely day spent looking for the sunshine

I'll make believe that I don't care

I'll tell my friends I love my life, I'm happy

CHORUS

Wherever, whoever you may be

Let the light of your love

Shine through the window of my heart

Then when you've coloured all my thoughts bright

Don't let me ever, ever think of night, no-oo yeah!

Maybe tomorrow, you will love again

I'll never know until I've looked into her eyes

Maybe tomorrow, you will love again

I'll never know until I've seen her once or twice

Maybe tomorrow, you will love again

Maybe tomorrow, I will love.
