# "SEE-SAW GRANDPA"

Visit "[SEE-SAW GRANDPA](#)" on [MotoLyrics.com](http://MotoLyrics.com)

You wanna have fun, you wanna just run  
You wanna do a lot of things that older people never do  
Gotta give up, is that what they say?  
Well, don't believe a word and then do it my way  
Come on, come on my see-saw, Grandpa  
And watch them grow older when you were still young  
Come on, come on my see-saw, Grandpa  
You gotta be bolder, let's always be sound  
You wanna just move, you wanna just groove  
You wanna do a lot of things that older people never do  
You gotta give up, is that what they say?  
Well, don't believe a word of it and do it my way  
Come on, come on my see-saw, Grandpa  
And watch them grow older when you were still young  
Come on, come on my see-saw, Grandpa  
I said, you gotta be bolder, let's always be sound  
Come on, come on, come on  
[guitar solo]  
Come on, come on my see-saw, Grandpa  
And watch them grow older when you were still young  
Come on, come on my see-saw, Grandpa

I said, you gotta be bolder, let's always be sound

Come on, come on, come on

Come on, come on my see-saw, Grandpa

And watch them grow older when you were still young

Come on, come on, come on, come on, come on, come on, come on

Come on my see-saw, Grandpa

And watch them grow older when you were still young

Awwwww, come o-ooooon

Aw, come on

Aw, come on!

Aw, come on!
