Think of all the good times, babe

Think of all the fun we've had

Think about tomorrow, babe

And the things you'd love to have

But give me a chance, I can't get on without some fun

I'm having trouble, you're the one

Though it's alright for you, my friend

I'm the one who's going 'round the bend, it's alright

Think of all the good times, babe

Do they mean so much to you?

Do we need a future, babe?

Do we need to be so true?

But give me a chance to prove I'm really stuck on you

I'm hearing things I hope not true

Though, it's alright for you, my friend

I'm the one who's going 'round the bend, it's alright

[guitar solo]

Ahhh

Ahhh

But give me a chance to prove I'm really stuck on you

I'm hearing things I hope not true

Oh, it's alright for you, my friend

I'm the one who's going 'round the bend, it's alright

Think of all the good times babe

Think of all the good times babe (think of all the good  
times, baby) [repeat
