a flutter and some words  
album - a flutter and some words  
by ingrid chavez

snow falls  
another cold day  
waiting for spring  
waiting for him

he is a gold thread  
pulling me thru  
the long winter

i want to tell him  
how I feel when I'm falling  
how my heart races  
just to know that he's calling

but I don't want to scare him  
overwhelm him  
he's a strange bird  
so I take it slowly  
just a flutter and some words

my words are embers  
warming him thru  
another cold december

when he's awake  
another sleepless night  
i know he's thinking of me

i want to ask him  
if he feel like he's falling  
does his heart race  
just to know that he's calling me

but I don't want to scare him  
overwhelm him  
he's a strange bird  
so i takes it slowly  
just a flutter and some words
