By the Water  
by

i'm layin' back  
thinking about that day  
by the water  
where i let you in  
i said come on come on come on come on baby  
i'm layin' back  
thinking about that day  
by the water  
where you let me in  
you said come on come on come on come on baby

it was early may  
the day was warm  
we were still brand new  
there was trouble in the air  
but it had nothing to do  
with me and you  
so we walked  
hand in hand  
past the pine trees and  
the ferns unfurling  
looking for a place to lay  
to clear our minds  
and change the energy of the day

our backs against the ground  
we listened to the sound  
of the wind upon the water  
we stole a moment to remember  
the wonders of this love and life

i'm layin' back  
thinking about that day  
by the water  
where i let you in  
i said come on come on come on come on baby  
i'm layin' back  
thinking about that day  
by the water

where you let me in  
you said come on come on come on come on baby  
you said come on come on come on come on baby  
you said come on come on come on come on baby

was it the water  
was it the air  
was it the scent  
of dried leaves caught in my hair  
i don't know and i don't care  
the earth in your skin  
the moon in your lips  
the stars in your fingertips  
left nothing unexplored  
siete il mio amore

beneath the canopy of trees  
you set my soul free  
you said come on baby fly with me

i'm layin' back  
thinking about that day  
by the water  
where you let me in

our backs against the ground  
we listened to the sound  
of the wind upon the water  
we stole a moment to remember  
the wonders of this love and life

era ... acqua  
era forse... aria  
o.... il particolare profumo della terra  
era terra... sulla tua pelle  
vieni con me baby ....vola con me  
cammina con me...
