woow

Lover is a blade

Cutting in your face

Cause you put him in disgrace

Dance with the devil

A cat in your neck

And you're runnin' out of time

Burn

Burn

Burn Baby Burn

Burn

Burn

Out of the cold

Into the fire

And burn the dirty liar

He will be there

Anywhere

And you know that your game is lost

Burn

Burn

Burn Baby Burn

Burn

Burn

Burn

Burn

Burn Baby Burn

Burn

Burn

Burn

Burn

Burn Baby Burn

Burn

Burn
