Got no feeling in my head, yeah in my head

Got no feeling, feeling's dead, yeah feeling's dead

Lost control I've just had, yeah I've just had

Breakin' down

Gettin' high

Breakin' down

Gettin' high

LSD LSD LSD LSD

Got no faith and got no hope, yeah got no hope

Got my body I am dope, yeah I am dope

I'm one of the people that like it high, yeah like it high

Breakin' down

Gettin' high

Breakin' down

Gettin' high
