"THE DREAM"

A million miles away I saw you
Standing in my dreams
Among the stars
And silver lights
The passion of our meeting that with
Fate was meant to be
We danced too close
For hours
In an endless crowded sea
I love the way you look at me
My fingers playing all the songs
Loved by you
Running through my heart
Now I know it won't be long
God please don't let it end
This is all I've ever wanted
