I couldn't even blink no think no  
Cause I was dumb struck when I met you  
I had given up on love, that girl... in  
Lost all hope that I'd ever love again  
Everything change when the wind blow  
The meaning of life you made it simple, whoa  
You helped me trust again, the missing things I found  
in you

Girl the possibilities are endless now,  
Hearts combined can tap into a treasure  
It's... with you girl,  
Must be love, crazy love,  
Girl you're taking my heart in a world where  
Emotions so deep like an ocean, crazy love  
Must be love, crazy love,  
Girl you saved my soul was forsaken  
My dreams came through in an instant  
My crazy love, oh, oh, oh, oh,

The end of the world couldn't phase me  
Cause you are my sun, my baby  
... you never... fortunate girl for what I have  
The softest kiss with an angel's words  
Forget the past now I'm with you girl  
Words missing I found in you

Girl the possibilities are endless now,  
Hearts combined can tap into a treasure  
It's... with you girl,  
Must be love, crazy love,  
Girl you're taking my heart in a world where  
Emotions so deep like an ocean, crazy love  
Must be love, crazy love,  
Girl you saved my soul was forsaken  
My dreams came through in an instant  
My crazy love, oh, oh, oh, oh,

My heart is in a world when spinning out hard  
Emotion that I could swim in, deep as our love  
Me and my baby, our love's crazy  
You turned my world around made it better it showing

Life is so beautiful but before you ain't know it  
My baby, our love's crazy, whoa

Girl you're taking my heart in a world where  
Emotions so deep like an ocean, crazy love  
Must be love, crazy love,  
Girl you saved my soul was forsaken  
My dreams came through in an instant  
My crazy love, my crazy love,  
My crazy love, my crazy love  
Oh, oh, oh, oh, oh, oh
