Dear You,  
Written by: Josh Auer

Here's a thought  
It's all that we've got in the world  
If we let it be  
We're only as good as the fall

And here's a note  
To say the words I couldn't say

Dear you  
I say that you're the only one for me  
Say that I will never ever leave  
Dear you  
I see the future growing old again  
Settle down with no other girl in the world

Here's a thought  
You're all that I've got in the world  
If I let you go  
I'm only as good as the fall

Dear you  
I say that you're the only one for me  
Say that I will never ever leave  
Dear you  
I see the future growing old again  
Settle down with no other girl in the world

Ooooo Aaaaaa  
No other girl in the world

Dear you  
I say that you're the only one for me  
Say that I will never ever leave  
Dear you  
I see the future growing old again  
Settle down with no other girl in the world  
Sincerely  
The one who gave his whole world for you  
The one who gave his whole heart to you

Dear you  
I see the future growing old again  
Settle down with no other girl in the world
