Low

Written by: Josh Auer

Everybody's watching  
Blurring out of view  
I'm low low  
Scary just how often  
Pushing comes to show  
I'm low low

With you I'm someone too

Floating in the ocean  
Drifting far away  
I'm low low  
Tell me there is sunshine  
Dancing with the rain  
I'm low low

With you I'm someone  
With you I'm someone too

Feeling like a stranger  
In a foreign land  
I'm low low  
Standing like an orphan  
Here without a name  
I'm low low

With you I'm someone  
With you I'm someone  
With you I'm someone too
