White Flag

Written by: Josh Auer

Hey it isn't ok

To raise the white flag this round

And hey we're all to blame

We're held slave to our choices

Ignoring the voices

Yeah we've got much to learn

Ooo Ooo

We've got much to learn

Hey this isn't a game

It's a full house you're dealing with

And the thoughts that float in your head

Will soon be on your shoulders

We're getting older

But we've got much to learn

Ooo Ooo

We've got much to learn

Love won't stand by forever

And watch us destroy it

Love won't stand by

Yeah we've got much to learn

Oh we've got much to learn

We've got much to learn

Yeah we've got much to learn
