I haven't been to church since I don't remember when
Things were goin' great 'til they fell apart again
So I listened to the preacher as he told me what to do
He said you can't go hating on others who have done wrong
to you
Sometimes we get angry, but we must not condemn
Let the good Lord do His job and you just pray for them

I pray your brakes go out runnin' down a hill
I pray a flowerpot falls from a window sill and knocks
you in the head like I'd like to
I pray your birthday comes and nobody calls
I pray you're flyin' high when your engine stalls
I pray all your dreams never come true
Just know wherever you are honey, I pray for you

I'm really glad I found my way to church
Cause I'm already feelin' better and I thank God for the
words
Yeah I'm goin' to take the high road
And do what the preacher told me to do
You keep messin' up and I'll keep prayin' for you

I pray your tire blows out at 110
I pray you pass out drunk with your best friend and
wake up with his and her tattoos

I pray your brakes go out runnin' down a hill
I pray a flowerpot falls from a window sill and knocks
you in the head like I'd like to
I pray your birthday comes and nobody calls
I pray you're flyin' high when your engine stalls
I pray all your dreams never come true
Just know wherever you are, near or far, in your house
or in your car,
wherever you are honey, I pray for you.
I pray for you
