Baby let's be honest over all it's all been great  
But I was weak and I gave in, what else can I say  
We all make mistakes and I can't erase what I've done  
to us  
Ain't it just like me to mess a good thing up

I don't blame you for being mad  
Cause I screwed up real bad  
Treated everything we had like it wasn't good enough  
And I hate myself for what I've done  
Why would I hurt the only one I've ever loved  
How can trust be so hard to earn but so damn easy to  
lose  
Yea even I would have left me  
If I were you

I can't believe that you're still here sayin' it will be  
alright  
Guess I shouldn't be surprised, you've always been the  
kind  
To fight for something that you believe in  
But unlike you strong is something, I've never been

I don't blame you for being mad  
Cause I screwed up real bad  
Treated everything we had like it wasn't good enough  
And I hate myself for what I've done  
Why would I hurt the only one I've ever loved  
How can trust be so hard to earn but so damn easy to  
lose  
Yea even I would have left me  
If I were you

I wouldn't think twice about leaving here tonight without  
saying goodbye

I don't blame you for being mad  
Cause I screwed up real bad  
Treated everything we had like it wasn't good enough  
And I hate myself for what I've done  
Why would I hurt the only one I've ever really loved

How can trust be so hard to earn but so damn easy to  
lose  
Even I would have left me  
If I were you  
If I were you
