You think roses are a waste of time
cuz in three day they just wilt up and die
We want em anyway.
I't a girl thing.
You think we're pretty at the break of dawn
when we wake up without our make up on
we turn the other way
Yeah it's a girl thing

Chorus:

We love romance and candle light
You like a cold beer we like a fine wine
You hardly talk we can talk all night
you wanna fix it we just wanna cry
It's a girl thing
It's a girl thing

We're impulsive but you think it's cute
cuz the last thing we need is a new pair of shoes
we got a closet full
Yeah i'ts a girl thing
We say "be honest,
does my butt look fatt?"
You say the same thing
no matter how much we ask
cuz you aint no fool
yeah you know it's a girl thing

Chorus:

We love romance and candle light
You like a cold beer we like a fine wine
You hardly talk we can talk all night
You wanna fix it we just wanna cry

We wanna go dancin we think its kinda sweet
when you stomp on our toes w
with your two left feet
Turn the radio up when our song comes on
ad we just cant help but sing along
I'ts a girl thing
It's a girl thing

We love weddings and diamond rings
you want a girlfriend but you dont want strings
We want a four course meal
You want Hooter's wings
Football game on the plasma screen

We love romance and candle light
You like a cold beer we like a fine wine
You hardly talk we can talk all night
You wanna fix it we just wanna cry
It's a girl thing
It's a girl thing
Boys it's a girl thing
It's a girl thing
