There is no substitute
for the ultimate
is whats in store
bear witness
to the fitness of the
modern warrior

and it goes BOOM another hit is landed
BOOM another hit is landed

the stealth of a sniper
the strength of a viper
the training
the challenge
the ultimate fighter

BOOM you're gonna get hit
BOOM you're gonna get knocked(OUT)
you're gonna feel it
this is the ultimate

BOOM you're gonna get hit
BOOM you're gonna get knocked(OUT)
you're gonna feel it
this is the ultimate
