La la

Verse 1

Never thought that we would ever be, More than friends
Now I'm all confused, 'Cause for you I have deeper
feelings

We both thought it was cool to cross the line
And I was convinced it would be alright
Now things are strange, nothings the same
And really I just want my friend back

And my mind's gone half crazy
'Cause I can't leave you alone (Ho, can't get you out
of my system)
And I'm wonderin' if it's worth
Me holdin' on (Holdin' on)

Say my mind's gone half crazy
'Cause I can't leave you alone (Can't get you out of
my system)
And I'm wonderin' if it's worth (Oh...ho...)
Me holdin' on (Yeah)

I'd hate to walk away from you, as if this never existed
Cause when we kissed, the moment after, I looked at
you different (Yeah)

Lately I gotta watch what I say
'Cause you take things personal nowadays
You used to laugh, now you get mad
Damn I just want my friend back, yeah...eah...

And my mind's gone half crazy
'Cause I can't leave you alone (Can't get you out of
my system)
And I'm wondering if it's worth
Me holdin' on (Holdin' on)

Say my mind's gone half crazy (Yeah)
'Cause I can't leave you alone (Can't get you out of
my system, yeah)
And I'm wonderin' if it's worth
Me holdin' on (Oh)

Oh...oh...oh...oh...oh...yeah...
What happened to the one I used to know, oh, yeah,
yeah
The one I used to laugh and joke with
The one I used to tell all my secrets
We used to chill and be down for whatever whenever
together, yeah

And my mind's gone half crazy (Whoa...whoa...)
'Cause I can't leave you alone (I'm goin' half crazy,
baby)
And I'm wonderin' if it's worth (Over you)
Me holdin' on (Yeah, over you)

Say my mind's gone half crazy (Yeah)
'Cause I can't leave you alone (Oh, and I just don't
know)
And I'm wonderin' if it's worth (Said I just don't know
what to do now)
Me holdin' on (Listen we used to chill, yeah)

And my mind's gone half crazy (We used to hang,
yeah)
'Cause I can't leave you alone (We used to do, we
used to do)
And I'm wonderin' if it's worth (So many things
together, yeah)
Me holdin' on (Yeah, yeah)

Say my mind's gone half crazy (Yeah, yeah)
'Cause I can't leave you alone (Ho...ho...)
And I'm wonderin' if it's worth (Yeah)
Me holdin' on (Ho, oh)
