Never thought that we would ever be more than friends
Now I'm all confused cause for you I have deeper
feelings
We both thought it was cool to cross the line
And I was convinced it would be alright
Now things are strange, nothings the same
And really I just want my friend back

And my mind's gone half crazy cause I can't leave you
alone
(Oh can't get you out of my system)
And I'm wondering if it's worth me holding on
Said my mind's gone half crazy cause I can't leave you
alone
(Can't get you out of my system)
And I'm wondering if it's worth me holding on
(Yeah)

I'd hate to walk away from you as if this never existed
'Cause when we kissed the moment after I looked at
you different
Yeah lately I gotta watch what I say
'Cause you take things personally nowadays
You used to laugh now you get mad
Damn I just want my friend back

And my mind's gone half crazy cause I can't leave you
alone
(Oh can't get you out of my system)
And I'm wondering if it's worth me holding on
(Holding on)
Said my mind's gone half crazy cause I can't leave you
alone
(Can't get you out of my system)
And I'm wondering if it's worth me holding on

Oh oh oh oh oh yeah
What happened to the one I used to know

The one I used to laugh and joke with
The one I used to tell all my secrets
We used to chill and be down for whatever whenever
together

And my mind's gone half crazy 'cause I can't leave you
alone

(I'm going half crazy baby)

And I'm wondering if it's worth me holding on

(Over you)

Said my mind's gone half crazy 'cause I can't leave you
alone

(And I just don't know)

And I'm wondering if it's worth me holding on

(Said I just don't know what to do now)

We used to chill we used to hang

We used to do we used to do some many things
together

Yeah yeah yeah yeah, oh oh yeah oh oh oh
