Verse 1:

Lord

So many things I've got to tell you

But I'm afraid I don't know how

Cause there's a possibility that

You'll look at me differently

Lord

Ever since the first moment I spoke your name

From then on I knew that by you being in my life

Things were destined to change cause.....

Chorus:

Lord

So many people use your name in vain

Lord

Those who have faith in you sometimes go astray

Lord

Through all the ups and downs the joys and hurts

Lord

For better or worse I still will choose you first

Verse 2:

Many days I've longed for you

Wanting you

Hoping for the chance to get to know you

Longing for your love

For your word your touch, for your blessings

Many nights I've cried from the things you do

Felt like I could die from the thought of losing you

I know that you're real

With no doubts and no fears

and no questions,

Chorus:

Lord

So many people use your name in vain

Lord

those who have faith in you sometimes go astray

Lord

Through all the ups and downs the joys and hurts

Lord

For better or worse I still will choose you first

Bridge:

Lord

At first you didn't mean that much to me

But now I know you're all I need, Lord

The world looks so brand new to me

Now that I found Jesus

Everyday I live for you

And everything that I do I do it for you

What I say is how I feel so believe it's true

You got to know I'm true, Lord

Chorus until song fades out
